- b. the Rental Payments may include amounts payable for tyre replacement, damage waiver, maintenance and servicing of Equipment (the "Services"). The Owner enters into this Agreement in its own right and not on behalf of, or as agent for, any principal, in respect of any Services contained in this Agreement. For the avoidance of doubt, the Renter acknowledges that any Services fall outside the Owner's appointment as agent for any principal and any liability arising from a breach of any obligation to provide Services remains solely with the Owner in its own right;
- c. by signing this Agreement, the Renter acknowledges that, other than in respect of providing the Services, the Owner may enter into this Agreement as agent for a principal (either disclosed or undisclosed) and agrees that:
 - i. the principal may pay the Owner a commission, fee or other remuneration calculated by determining the difference between the value of the rent provided in the hire arrangement between the Owner and the principal and the rate used in calculating the Rental Payments;
 - ii. the principal may also pay the Owner a commission, fee or other remuneration calculated by reference to the total value or volume of all transactions, including this transaction, introduced to the principal by the Owner; and

- h. an invoice or notice given by the Owner is prima facie evidence of the amount of moneys due, owing or recoverable from the Renter under this Agreement subject to obvious clerical error, fraud or negligence by the Owner;
- i. that in the event that any provision or part of any provision contained in this Agreement is rendered void, invalid or unenforceable then such provision or any part thereof will be severed from this Agreement without affecting the remaining provisions of this Agreement;
- j. the Renter's obligations to make payments and otherwise perform its obligations under this Agreement will continue regardless of any defect in, or lack of performance of, the Equipment and the Renter has no right to claim any set-off or to withhold any payments;
- k. that the Owner may exchange the Equipment with other Equipment of a like or better type at any time during this Agreement and the replacement will be treated as the Equipment for the purposes of this Agreement;
- l. the person signing this Agreement for the Renter is authorised to sign and deliver it on the Renter's behalf;
- m. this Agreement, together with the terms and conditions of the Commercial Credit Application and Guarantee, contains all the terms and conditions and, provisions and arrangements that have been agreed between the Owner and the Renter in respect of this Agreement;

- n. if the Renter fails to return the Equipment at the expiration of this Agreement then the period will be deemed extended from month to month at the rental stipulated in the Schedule for this holding over period and upon the same terms and conditions herein but so that such extended period may be determined during that extended period by the Renter returning the Equipment to the Owner in substantially the same condition it was hired to the Customer or upon the Renter receiving an off-hire number from the Owner;
- o. if the Equipment is not returned to the Owner in substantially the same condition it was hired to the Customer, the rental of the Equipment will continue until such date as the Equipment is repaired such that it is in substantially the same condition it was in when it was first hired to the Customer;
- p. if the Renter requests a variation of the initial term of rental or of the Equipment rented under this Agreement, the Owner may agree to such variation and forward an acknowledgement of variation to the Renter setting out details of the variation. Upon the signing of the acknowledgment of variation by the Renter the variation is binding on the Renter. The Rental Payments payable under this Agreement will be varied accordingly and in all other respects the terms and conditions of this Agreement remain unchanged. If the Owner does not receive the acknowledgement of variation duly signed by the Renter within fourteen days of sending its acknowledgment to the Renter, the Owner may elect not to be bound by such variation;
- q. the indemnities and releases set out in this Agreement continue in full force and effect notwithstanding the termination (however occurring) of this Agreement.

8 The Renter acknowledges that:

- a. this Agreement creates a security interest under the Personal Property Securities Act 2009 (Cth) (the 'PPSA') in the Equipment and any proceeds from the Equipment;
- b. it has received value as at the date of this Agreement;

- b. must indemnify, and upon demand, reimburse the Owner for all reasonable expenses incurred in registering a financing statement or financing change statement on the Personal Property Securities Register but excluding any expense relating to the initial registration of a financing statement made on or about the date of this Agreement, and for the enforcement of any rights arising out of the Owner's security interest;
- c. must keep full and complete records of the Equipment;
- d. must not without the prior written consent of the Owner, sell, lease, dispose of, create a security interest in, mortgage or part with possession of the Equipment or any interest in the Equipment (or purport or attempt to purport to do such thing) or permit any lien over the Equipment;
- e. authorises the Owner to apply any money the Owner receives from the Renter towards debts, charges and expenses (including legal costs incurred by the Owner) in any priority the Owner determines in its sole discretion for whatever reason, including in order to maintain the security interest in the Equipment created by this Agreement; and
- f. must not register a financing change statement or a change demand without the prior written consent of the Owner.

10 So far as is permitted by the PPSA, the Renter waives its right:

- a. to receive a copy of any verification statement or financing change statement or a statement of account on sale of the Equipment;

- c. to object to a proposal by the Owner to retain the Equipment in satisfaction of any obligation owed by the Renter to the Owner;
- d. to reinstate the security agreement by payment of any amounts owing or by remedy of any default where the Owner has the right to dispose of or retain the Equipment; and
